

Recruiting Referral Bonus

Introducing our exciting Referral Program - your opportunity to earn rewards while sharing the love of Harbour with others!

Existing Harbour advisors may earn a bonus for prospective advisors who join Harbour.

The referral bonus program is intended to reward those initiating contact with other Broker/Dealers or RIAs and who are not familiar with Harbour.

To qualify, the Harbour advisor should notify Harbour's recruiting team of the referral so the source can be properly documented. Both new and referring advisor must be affiliated with Harbour at the time of the bonus periods.
